

OFFICE OF THE PROVOST, HOWARD UNIVERSITY

Academic Year 2024-2025 Review Schedule for Applications from Candidates for Promotion and/or Tenure in Colleges and Schools without Departments

This document is intended to provide guidance to faculty and administrators regarding the University's promotion and tenure processes and deadlines. This document creates no contractual terms between faculty members and the University or its administrators. This document does not change any of the terms of the University's Faculty Handbook.

During spring 2024, faculty members will enter all research, teaching and service accomplishments since their most recent change in faculty rank or tenure status (or, if this is their first application for promotion and/or tenure, since their initial appointment) into the *Faculty Success* activities database.

During summer 2024, the schoolwide APT chair should solicit recommendations of external reviewers¹ from the APT committee and review the suggested recommendations from the candidate. They should then contact potential external reviewers to determine their availability to complete and submit a review by September 30, 2024. These activities should happen **outside** of *Faculty Success*. The deadline for the schoolwide APT chair to upload the names and send the links to external reviewers through *Faculty Success* is August 9, 2024.

Specific deadlines for the promotion and/or tenure application process are outlined below:

APRIL 15, 2024: *Faculty Success Promotion & Tenure Application Submission Portal* opens. To apply for promotion² and/or tenure³, [request an application](#). Once your eligibility is confirmed, you will receive your invitation. After receipt, log into [Faculty Success](#), click on **Workflow** and select the hyperlinked promotion and/or tenure application in your inbox⁴.

MAY 28, 2024: Deadline for applicants for promotion and/or tenure to submit the names of their two recommended external reviewers in *Faculty Success*.

JUNE 3, 2024: Deadline for the department chair to acknowledge receipt of the recommended external reviewers from the applicant.

JULY 26, 2024: Deadline for applicants for promotion and/or tenure to submit their applications in *Faculty Success*. The application shall contain a current curriculum vitae (CV) and a Faculty Activity Report documenting the applicant's record of achievement. The applicant may upload any additional documentation at this step. This information will provide the basis for the review of the faculty member's application for promotion and/or tenure.

AUGUST 7, 2024: Deadline for the schoolwide APT chair to check to ensure that the application is complete,

¹ The reviewers must be persons external to Howard University, who are experts in the applicant's discipline and who are affiliated with research universities or comparable institutions (e.g., federal agencies, such as NIH, NSF, NEA, HRSA; national laboratories, such as Brookhaven National Laboratory, FermiLab; policy institutes, such as Brookings Institution, Rand Corporation, the Wilson Center; national professional organizations, such as American Psychological Association, American Medical Association, American Historical Association). Each external reviewer should hold the academic rank of Associate Professor (or its equivalent) or higher. The chief purpose of the external review letters is to obtain an objective evaluation of the applicant's scholarship, which includes research publications or evidence of creative work appropriate to the applicant's field or discipline.

² There are four different types of appointment that are eligible for promotion (namely, the probationary tenure-track and tenured faculty, the non-tenured renewable term clinical educator track faculty in the health sciences colleges and the School of Communications, and the non-tenured renewable term research track faculty in the College of Medicine).

³ Only probationary tenure-track faculty are eligible for tenure.

⁴ Promotion and/or Tenure applicants will also receive an email from Watermark Faculty Success <dmworkflow@watermarkinsights.com> informing them that the application form is available for them to complete. The subject line will include the applicant's name and the phrase "Invitation to Complete Submission". Applicants should add dmworkflow@watermarkinsights.com to their approved senders list in order to ensure the email is not sent inadvertently to spam.

and forward the application to each confirmed external reviewer for evaluation, along with a statement of the relevant criteria for tenure and/or promotion to the faculty rank the applicant is seeking, via *Faculty Success*. The schoolwide APT chair should ensure that the confirmed external reviewers can return the external review documents prior to **SEPTEMBER 30, 2024**.

SEPTEMBER 30, 2024: Deadline for external reviewers to submit their evaluations to *Faculty Success*.

OCTOBER 4, 2024: Deadline for the schoolwide APT chair to verify all four (4) external review letters have been submitted and forward the applicant's completed file to the APT committee to complete its evaluation in *Faculty Success*. **Given their central importance to the overall process, faculty committees and administrators at every level must take the external evaluations into account before formulating their recommendation regarding the application.**
