

Seizure First Aid Certification Training

PRE-REGISTER
HERE

Friday, March 14, 2025 @ 1:30pm - 3:00pm

Location: Howard University Blackburn Center

- Enhance your skills, understanding, and confidence in recognizing seizures and providing appropriate Seizure First Aid. **This free course** features up-to-date first aid techniques that are based on current best practices. Upon successfully completing this training, participants will receive a **2-year certification**.
- **The training consists of three parts (total 90 minutes):**
 1. Pre-Assessment on Epilepsy Learning Portal
 2. In-person instructor-led training
 3. Completion of the post-course assessment and evaluation
- **The pre-assessment MUST be completed before the live session (Duration 2-3min)**
- **Instructor: Crystal Hall, DrPH, Epilepsy Foundation**

Who Should Participate?

- Campus Staff
- General Student Body
- Resident Advisors
- Athletes and Coaches
- Health and Wellness Students
- Resident Advisors
- Anyone interested in learning valuable first aid skills
