Human Development Major

Within the Department of Human Development and Psychoeducational Studies (HDPES), Human development majors learn the interdisciplinary approaches to study and promote the development of human beings from conception and birth through childhood, adulthood, aging, and death. Faculty within the department ensure students are culturally responsive to social justice issues by teaching them to examine how people and communities can be empowered in diverse and marginalized settings.

Benefits of the Program

- Complete B.S. in Human Development 100% online.
- Degree completion in two years (*if attending full-time)
- Reduced tuition rate/limited scholarship opportunities
- Acceptance of 60-72 transfer credits
- Enrollment in a small cohort of students

*Acquisition of skills to help individuals, families, and marginalized groups in fields such as medical, counseling, and social work.

HUMAN DEVELOPMENT CAREERS*

- Mental Health Counselors - \$62,492
- Marriage and Family Therapists - \$57,786
- Health Educators & Community Health Advocate - \$133,400
